Description of Property and Eligibility Determination: *(Use continuation sheet if necessary and attach map and photo)*

The Gideon Gnegy House located at 34 Meadow Lake Road, is a side gable, frame house with a brick, exterior gable-end chimney. The original siding has been replaced with aluminum siding and the porches have been enclosed. The Maryland Inventory of Historic Properties form indicated that the roof was originally a steeply pitched cross gable roof. The building's integrity has been compromised through major alterations that reduce its integrity (materials, design, workmanship). The property does not appear to be eligible for listing in the National Register of Historic Places.

This two story, three bay by two bay frame house has been so altered that it lacks architectural significance. Originally, it had a steeply pitched cross gable roof, however, this was entirely removed and replaced with its present shallowly pitched gable roof. Its German siding has been covered with aluminum siding and both the facade and gable end porches have been enclosed. The interior has been repartitioned and remodeled with plywood paneling and dropped ceilings.
